

**In Memory of  
Lynne Gibson  
March 8, 1969 - April 20, 2017**

Sadly, on April 20, 2017, NALS of Philadelphia lost a beloved member and friend, Lynne M. Gibson. Lynne was born and raised in Philadelphia, Pennsylvania.

Lynne worked as a legal secretary from home for the past several years, but had previously worked in Center City law firms before she decided to become self-employed.

A NALS Life Member, many of you remember Lynne to be a constant attendee at Lunch-n-Learns and other programs over the years. Lynne also attended many NALS of Pennsylvania events. She could always be counted on to relay a funny story about sporting and musical events she attended. Lynne was also a good listener and would readily ask questions or add comments to seminars she attended.

Lynne was courageously battling aggressive cancer and was preparing for her next treatment when God called her home

Lynne, it saddened us to lose you and you left us with beautiful memories. Wherever we look, we will find you there smiling down on us. Enjoy your new home in Glory where every day is a day of sunshine. Peaceful rest until we meet again.
